The school's athletic program is an integral part of the total school program and school personnel have devoted great effort to insure participating students are protected in every way possible. However, participation in athletics is not without risk of injury which may range in severity from minor injuries to long-term catastrophic injuries, paralysis, or possibly death.

Columbia County School System requires that all students who participate in High School / Middle School football, all other High School / Middle School athletic programs, and all High School / Middle School cheerleading be covered by medical insurance. This can be done through a policy your child is covered under through your employer or through a policy offered through Columbia County School System by K&K Insurance Group, Inc. (A brochure explaining the coverage offered by K&K Insurance Group, Inc. is attached.) You may also purchase additional coverage on your child through K&K Insurance Group, Inc.

In the area below, please provide your child's medical insurance information. Attach a copy of the front and back of your insurance card. **YOU MUST CHOOSE OPTION #1, #2, OR #3.**
